## **Monthly Medal Report – April 2013**

The first monthly medal on the calendar. April's Medal receiving a decent turn out for the beginning of the season. Players had the choice of either 9 or 18 holes of competition play, with the majority of the field choosing 9 (Dave and Callum Hall - as you two were the only players for the 18 hole comp, Lee made the executive decision to abandon the 18 hole comp and put you in the 9 hole comp (A refund on entry fees were also made).

It seems a good day was only had by a couple, in terms of scores anyway. Perhaps people now feeling the effect of Summer Rules in operation? With the scores returned only a shade of those we have witnessed over winter.
